Evening and Weekend Appointments Available

Welcome to GPT Physical Therapy!

This packet contains your registration form, medical history and other documents for you to read and sign. If you can complete these forms prior to your arrival, it will help facilitate beginning your evaluation and treatment promptly.

Please bring to your first appointment:

- Your insurance card and driver's license
- Your doctor's written prescription or referral, if one is required for your policy
- The completed registration forms
- Any applicable co-pay
- Loose, comfortable clothing. Wear shorts if being treated for your lower back, hip, knee, ankle, or foot (women should wear a sports bra if being treated for a neck, mid-back, or shoulder injury).
- Secondary insurance information if you sustained a work injury or were involved in a motor vehicle accident

Parking at *Greenwood* - Enter the first level garage just north of the clinic entrance and park in spaces labeled "GPT 24- hour reserved parking". You will need to walk out of the garage to enter the clinic, as there is no direct access from the garage. There is also free street parking available.

Parking at *Ravenna* - Enter the commercial garage from 34th Ave NE and park in any of the spaces that are labeled "GPT 24- hour reserved parking". There is also free street parking available.

Please check in 15 minutes early for your first visit and plan to spend between 45 to 60 minutes for your initial appointment, which will include evaluation and treatment. Should you have any questions regarding your appointment, feel free to call our office at (206) 782-5789.

We look forward to serving you!

Sincerely,

Michael Osaki, PT, Director

Statement of Privacy Practices

Our office is dedicated to protect the privacy rights of our patients and the confidential information entrusted to us. The commitment of each employee to ensure that your health information is never compromised is a principle concept of our practice. We may, from time to time, amend our privacy policies and practices but will always inform you of any changes that might affect your rights.

We use and disclose the information we collect from you only as allowed by the Health Insurance Portability and Accountability Act (HIPAA) and the state of Washington. This includes issues related to your treatment, payment, and our physical therapy operations. Your personal health information will never be otherwise given to anyone, even family members, without your consent. You, of course, may give consent authorizing us to disclose your information to anyone you chose, for any purpose.

Our offices and electronic systems are secure from unauthorized access and our employees are trained to make certain that the confidentiality of your records is always protected. Our privacy policy and practices apply to all former, current, and future patients, so you can be confident that your protected health information will never be improperly disclosed or released.

Collecting Protected Health Information:

We will only request personal information needed to provide our standard of quality of physical therapy services, implement payment activities, and conduct normal physical therapy operations, and comply with the law. This may include your name, address, telephone numbers, social security number, employment data, medical history, health records, etc. While most of the information will be collected from you, we may obtain information from third parties if it is deemed necessary. Regardless of the source, your personal information will always be protected to the full extent of the law.

Disclosure of Your Protected Health Information

As stated above, we may disclose information as required by law. We are obligated to provide information to law enforcement and government officials under certain circumstances. We will not use your information for marketing purposes without your consent.

We may use and or disclose your health information to communicate reminders about your appointments including voicemail messages, answering machines.

Patient Rights

You have a right to request copies of your healthcare information; to request copies in a variety of formats; and to request a list of instances in which we, or our business associates, have disclosed your protected information for uses other than stated above. All such requests must be in writing. We may charge for your copies in an amount allowed by law. If you believe your rights have been violated, we urge you to notify us immediately. Please let us know if you have any questions concerning your privacy rights and protection of your personal health information.

Acknowledgment of Receipt of Statement of Privacy Practices:

I acknowledge that I have received a copy of the Statement of Privacy Practices for the office GPT Physical Therapy. The Statement of Privacy Practices describes the types of uses and disclosures of my protected health information that might occur in my treatment, payment for services, or in the performance of health care office operations. The statement of Privacy Practices also describes my rights and the responsibilities and duties of this office with respect to my protected health information. The Statement of Privacy Practices is also posted in the facility.

GPT Physical Therapy, PLLC reserves the right to change the privacy practices that are described in the Statement of Privacy Practices. If privacy practices change, I will be offered a copy of the revised Statement of Privacy Practices at the time of my first visit after the revisions become effective. I may also obtain a revised Statement of Privacy Practices by requesting that one be mailed to me.

Additional disclosure authority:

In addition to the allowable disclosures described in the Statement of Privacy Practices, I hereby specifically authorize disclosure of my protected health care information to the persons indicated below.

GPT Physical Therapy
Financial Agreement

We will happily bill your insurance carrier(s) for your services. After your insurance processes your claims, you will receive a bill for any remaining patient responsibility, which includes deductibles and co-insurance. You will also receive a bill if any of the following occurs:

1. Treatment is not covered or deemed medically necessary by your insurance plan.
2. Your insurance benefits for these services have been exhausted.
3. Your insurance is pending and not guaranteed to be in effect at time of service.
4. Your insurance will not pay due to the nature or case of your injury.
5. Pre-authorized was not approved.

Your portion of the bill is due within 10 days of receipt of the GPT Physical Therapy statement. Accounts are expected to be kept current unless an active payment plan is in place. If no payments are received within 90 days of a statement, an interest charge of 1% per month may be added to your account for each month until the account is paid in full.

Physical therapy sessions range from $120-$380 depending on your individual needs, the services your doctor and physical therapist recommend for you, and the contracted rate we have with your particular insurance company. We are committed to doing all we can to provide the best outcome for you and to make sure your physical therapy experience is a good one. If you have any questions concerning your potential financial responsibility, please speak with our office staff, treating physical therapist, or your insurance company.

By signing below, you agree that you understand and accept financial responsibility for services per the terms described above.
