Welcome to Virtual Physical Therapy at GPT,

Prior to your appointment, please be sure to:

1. Electronically sign the GPT Telemedicine Agreement.
2. Email the signed waiver back to the front desk: Reception@greenwoodpt.com (Greenwood location) or GPTRavenna@greenwoodpt.com (Ravenna location)
3. Once we receive your signed waiver, we will send you information and the link to start your appointment.

On the day of your scheduled appointment:

1. Call the front desk **10 minutes** before your appointment begins: 206-782-5789 (Greenwood) or 206-388-2549 (Ravenna)
2. The front desk will collect any applicable co-pay over the phone and check you in.
3. The front desk may also perform a functional scale test over the phone if it is required by your insurance.
4. After the front desk has checked you in, you be directed to the “virtual waiting room” via Doxy where you will wait for your PT to begin your appointment.
5. Plan to spend between 45 to 60 minutes per appointment.

We look forward to serving you!

Sincerely,

Michael Osaki, PT, Director
